📁 PROFESSIONAL SUMMARY

Customer Success professional with 28+ years of experience in restaurant operations, customer onboarding, employee training, relationship management, and operational excellence. Proven experience supporting cloud-based restaurant POS systems, including Lightspeed, while utilizing Workday for scheduling and employee self-service. Skilled in Customer Relationship Management (CRM), customer adoption, issue resolution, process improvement, cross-functional collaboration, and technology enablement. Known for translating complex systems into clear, customer-friendly guidance that improves onboarding, technology adoption, customer satisfaction, and team performance. Maintains a public GitHub portfolio showcasing AI workflow development, automation, and business technology projects.

📁 PROFESSIONAL EXPERIENCE

Skill Trainer, CRACKER BARREL

03/2018 – Present

- Deliver exceptional customer experiences while serving guests in a high-volume restaurant environment.
- Utilize a cloud-based restaurant POS system to process guest transactions while supporting operational efficiency and service excellence.
- Train, mentor, and onboard new employees on POS workflows, restaurant technology, customer service standards, and operational best practices.
- Translate operational procedures into easy-to-understand guidance that accelerates onboarding and improves employee readiness.
- Resolve customer concerns through empathy, active listening, and solution-focused communication.
- Utilize Workday for scheduling, payroll, and employee self-service.
- Partner with leadership to improve operational efficiency, employee development, and customer satisfaction.
- Adapt quickly to new technology, changing procedures, and evolving business priorities.

Assistant Manager / Bartender, HANKERD HILLS GOLF COURSE

2008 – 2018

- Managed hospitality operations for weddings, golf outings, banquets, and private events utilizing the Lightspeed POS system.
- Supervised scheduling, inventory management, customer service, and restaurant operations.
- Coordinated successful customer events while building long-term client relationships.
- Collaborated with vendors, leadership, and staff to deliver exceptional guest experiences.
- Resolved customer concerns and operational issues while maintaining high service standards.

Server | Bartender | Assistant Manager, PINCKNEY DINER

1998 – 2008 | Pinckney, Michigan

- Managed front-of-house operations while delivering exceptional customer service in a fast-paced restaurant environment.
- Assisted with scheduling, inventory management, opening and closing procedures, cash handling, and daily restaurant operations.
- Trained and mentored new employees on restaurant procedures, customer service standards, and operational workflows.
- Built long-term guest relationships that encouraged repeat business and customer loyalty.
